FOR IMMEDIATE RELEASE

Interstate 5 Ramp Closure

REDDING – Department of Transportation (Caltrans) maintenance crews will close the northbound off-ramp from Interstate 5 to Hilltop Drive and State Routes 44 and 299 early Sunday morning, May 12 beginning at 5:00 AM. The ramp closure is scheduled to be in effect until 9:00 AM so that maintenance crews can replace a damaged light standard.

A detour will be available for northbound motorists by continuing to the next exit, approximately two miles to the north. Motorists should take the SR 299 East/Lake Boulevard exit and return southbound to the Central Redding Interchange, then proceed to their selected route.

Motorists are asked to use an alternate route to avoid any possible delays.
